

New Chairman - Tom Collins

Welcome to the first edition of this year's three CSWH newsletters that aim to keep you fully informed about our work, events and prayer requests. At July's end of year celebration, we said thank you and farewell to two important people; Peter Howarth, part-time schools' worker, who completed three positive years with CSWH, and Roger Mitchell, chair of CSWH and involved since the genesis of the work in 2001. We owe a huge debt of

thanks for their respective contributions and in Roger's case, we will attempt to carry on the many achievements made through his unstinting commitment to enable the young people of Hastings and St. Leonards to know about the life-changing impact of a relationship with Jesus Christ. We thank God for each of them and pray for the next steps in their walk with the Lord. We welcome Lucy's new part-time worker, Sarah Brunton, as she begins her new role. As the new chair of CSWH Management Committee (the group of people who oversee and support the workers and the work), I look forward to engaging with you as you support our work. Tom Collins.

Soul Survivor 2018

This year we took 11 young people to Soul Survivor Youth Camp. We had a fantastic time. The weather was cold and windy but it didn't dampen the fun or experience. Soul Survivor is such an important point in our calendar as it makes such a big impact

on the young people who go. We are so grateful to everyone who prayerfully and financially supported the trip and enabled quite a few of the young people to be able to attend. Also thank you to all those who saved up snacks, baked cakes and donated camping gear. We are so appreciative of everyone who helped us go! We are going again next year (which will be the last Soul Survivor event). Our dates will be, August 23rd til 28th August. If you know of any young people who would like to join us please get in touch.

Please make any cheques payable to Hastings Christian Trust.

Christian Schools Workers Hastings
Hastings Christian Trust

Welcome to Sarah

It's all change here at CSWH. Peter Howarth, our schools worker is now in Estonia with his wife, they intend to spend at least one year over there. Peter is working in a school as a Primary English teacher and so far he is really enjoying it.

So we have said good bye to Peter and we welcome into the team Sarah Brunton. Sarah lives in Hastings and her son attended one of our JAFFA Clubs when he was younger. Sarah says "I'm looking forward to meeting local children and staff in schools and showing them the love of Jesus through myself, my words and my actions. I'm excited about the plans God has for me in this new role as Christian Schools Worker and feel very blessed that God is taking me on a new and exciting journey."

Sarah comes to us with lots of experience as a Teaching Assistant in local schools, so she is full of skill and passion to see children and young people get the most out of life.

The team is having a slow start this year with our work in schools, this is to allow Sarah time to settle in, be trained up and to get to grips with what this work entails.

If you would like to meet Sarah why not drop in to our schools work office during the week for a cup of tea. Although the team are not always in the office it is where they do all their planning and preparing. If you want to pop in just give the office a call or drop Lucy an email to see when they'll be in (our address is on this newsletter).

If you use social media you can follow the team on Facebook, Twitter, Instagram and Youtube. Just search for Christian Schools Workers Hastings on Facebook and Youtube and @csw_hct for Instagram and Twitter.

Life Exhibition

Sponsored by the Hastings Youth Trust - Thank You!

The Life Exhibition 2018

We are certainly making the most of the Counties Trust and their fantastic resources! Last school year we had both "Key to Life" and "GSUS Live". This year we have the "Life Exhibition". If you have been receiving our news for a few years you will know that we have had this before, in fact this is the 4th time we have welcomed this resource. We already have schools booked up to visit us.

It is being held at St Peter and St Paul Church, Parkstone Road, Hastings. Arriving on 1st November and we will have lessons from 2nd of November running right throughout the following school week.

It takes a huge team of dedicated volunteers to run the Life Exhibition and roles go from making and putting out drinks for the staff and students, set up/pack down - right up to presenting to the classes that attend.

If you would like to be involved please get in touch. You might be able to be there for the whole time or even just half a day.

Open evening on Thursday 8th November from 7pm- we hope to see you there!
